You are once again cordially invited to fish our annual inter club/pub match(C.I.U. Match) which has been socially challenged for decades. Since the C.I.U. games ceased i have decided to extend the match to other outlets so as to increase the competition, rivalry and banter. We had sixteen teams taking part last year.

Once again we are returning to Rycroft Fishery as Mark Brookes really looks after us. This year and future years the matches will be on the LAST Saturday of July and this year this will be the 30th July. As usual the draw will take place at 9-30am and fish 11-00 til 4-00pm. At the moment we have the Clover, Moat, New canal and Old canal with a reserve for Donno depending on entries.

Substitutes allowed before the draw to make up teams(Must inform me)

Closing date and monies in by Saturday ~~16~~th July 2021.  
( I've left it later this year as certain people tend to forget)

Rycroft fishing rules apply(min 2 nets etc) NO FLOATING BAITS.

Prize money:- 1st,2nd,3rd,in teams and individuals and 1st and 2nd in sections.(note:- 1st,2nd and 3rd are exempt from the section prizes).

Application forms are enclosed.

Yours Faithfully,

Keith A. Hewitt.
